PROJECTS

Ad Archive

Apr 2026 - Present

- Organising 200+ ads and campaigns into a filterable personal archive, collecting still shots, dialogue, and standout creative moments — built the same way film composition references are traditionally collected for visual study
- Annotating each entry with notes on why it works, studying creative strategy and trend patterns across homegrown and international brands

EXPERIENCE

Research and Content Intern, ThinkMBA

Jun 2026 - Present

Internship, Remote, New Delhi, Delhi, India

- Researched exam-relevant content and relevant influencers to shape platform strategy at launch
- Designed CAT exam-prep social media content in Figma, translating exam-relevant information visual formats
- Sourced and populated website content across 500+ questions, building out core platform infrastructure pre-launch
- Executed comprehensive competitive analyses to drive brand positioning and strategic growth

Founder, The Alternate Quest

Sep 2024 - Oct 2025

Incubated at NSRCEL, IIM Bangalore

- Built TAQ's brand identity (logo, typography, moodboard) and owned all external communications, including LinkedIn content, partner outreach, and programme announcements
- Grew LinkedIn from zero to 5,000+ impressions in 3 days using static organic content alone
- Conceptualised and launched a cohort-based programme connecting students to real startup briefs
- Ran end-to-end operations across two cohort seasons — 150+ participants, 3 startup partners, 5 live problem statements — covering selection, brief design, and mentor coordination

Marketing Team Lead, Horizon, Baikunthi Devi Kanya Mahavidyalaya

Oct 2023 - Dec 2025

- Built the college's Instagram and LinkedIn presence driven by on-site seminars alongside digital content
- Designed pop-up banner promoting new programmes on the college website, extending brand messaging beyond social channels
- Secured faculty backing to formalise the initiative into a marketing team, coordinating 10+ students under HOD sponsorship
